**Re: Name Change: Designation of Adequate Water Supply (DWR No. 40-700417.0000)
CDC Wickenburg Water, LLC, is applicable to Wickenburg Ranch Water, LLC**

Dear Ms. Ferris:

The Arizona Department of Water Resources received your electronic mail, dated July 2, 2009, regarding Wickenburg Ranch Water, LLC, formerly known as CDC Wickenburg Water LLC. In a follow up electronic mail, also dated July 2, 2009, you provided an electronic copy of the Arizona Corporation Commission (ACC) filing dated September 11, 2007, changing the water company's name. The ACC filing demonstrates that the entity known as CDC Wickenburg Water, LLC changed its name to Wickenburg Ranch Water, LLC. This change is strictly a change in the name of the limited liability company, and does not reflect any other change to the entity or transfer of ownership.

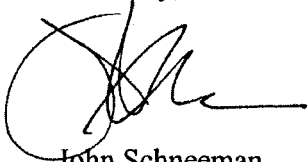

Therefore, the Designation of Adequate Water Supply (Designation), DWR No. 40-700417.0000, previously issued to CDC Wickenburg Water, LLC remains valid and is applicable to Wickenburg Ranch Water, LLC. A copy of this letter, the above referenced electronic mail correspondence and the ACC filing has been placed in the CDC Wickenburg Water, LLC hard copy file and in the electronic file (Imaged Record). Copies of these documents are attached. In addition, a comment has been entered into the Assured and Adequate Water Supply database stating that a name change has occurred and the CDC Wickenburg Water, LLC Designation

remains valid and is applicable to Wickenburg Ranch Water, LLC. A copy of a database report reflecting this comment is also attached. Although the Department will not reissue the Designation, this letter may be used to demonstrate that the Designation remains valid and is applicable to Wickenburg Ranch Water, LLC.

If you have any questions regarding the contents of this letter, please do not hesitate to contact me at (602) 771-8593.

Sincerely,

A handwritten signature in black ink, appearing to be 'John Schneeman', written over a horizontal line.
